MEMORANDUM FOR: SSA/DDS
SUBJECT: Task Force Space Utilization

25X1A During the period 1 May 1969 to 30 April 1970, the [REDACTED] provided space for a series of Task Forces incompassing $4\frac{1}{2}$ months. We utilized our Joint Operations Intelligence Center situation room. This room, 20' x 22'6", is a vault area and has been permanently wired for installation of communication teletype machines.

NOTE:

29 June, 1970

25X1A9a I have discussed Task Forces and conference space with [REDACTED]. The [REDACTED] Task Forces are set up usually to handle a going operation. Thus a vault-type area and special communications arrangements are necessary as noted above. It is the only room the [REDACTED] has for conferences and briefings and when it is occupied by a Task Force, [REDACTED] has been going to DDI offices nearby and borrowing their conference rooms for more routine meetings.
